PUP: ...what is a, and, and, and a lot of those don't understand all of that cause they've never been out of state, so they don't know.

CHS: Yeah. Anyway, but, but then again...like you said carnal, I mean...if it, if, if, if, if m-if Mario (UI) get caught or whatever...but if we do, the Emes gonna look at us different anyways.

PUP: Hell yeah they are.

CHS: Like you said, you know what I'm saying?

PUP: They'll look at us like man these fuckers are on top of their, (UI) shit.

CHS: They're not gonna, like right now they look at us like yeah they're down and all that, but they look at us like scrubs.

PUP: Ah...ah...

CHS: I mean they respect us and shit, you know what I mean, cause they may be (UI) but...something like that, like you said, they're gonna fuckin' look at us like sh-these fuckers are about their business.

PUP: Yeah.

CHS: So Dan-Dan's just gonna have to get used to that shit.

PUP: Hell yeah but when he gets out there he'll experience it himself, he'll see it for what it is, and then he'll understand, because even though we are out of state now in, in Arizona, this wasn't even a fuckin' place to do time. There ain't no, there ain't no fuckin' nothing happening over there. But he got to meet a Sureno named Shrager (phonetic). He just thought he was a youngster carnal. He could have shaped him the way we wanted to, *si me entiendes?*

CHS: Yeah.

PUP: Yeah, but he's seeing how they real *firme* - so, and he will, if Dan-Dan gets in to Califas, if he gets in to another (UI), he's gonna see for himself. There's more vatos that are *firme* like that, *si me entiendes?* And these vatos

ain't out to use us as their fuckin' simple fuckin' tools, or their, or their plan to expand or nothing like that. It's a mutual respect that we have with them in the feds, no? It's respect, carnal. Them fuckers looked out for me. The fuckin (UI) was treating me like fuck and I'm not (UI)... that's (UI) idea he's from Venice. Well he's actually from L.A., but the (UI). And..he ran down everything for me he put me on my toes. Even the ABers (UI) put me on it. Even that AB fuckin' ah Possum, he told me straight up, he goes, you know what that Tucan (phonetic) is a friend of mine, this and that, but I'm gonna let you know right now he killed your brother. Always hang with him. And then I fuckin', that's when I hit Aballa (phonetic) Balla told me the same thing. He told me fuckin'...fuckin' Smiley is a good vato he told me, you know?

CHS: Yeah, but then again carnal, you gotta look at it like this too. There's never been a brother, I mean there is like Marty Barros and all of them, but at the same time...them vatos ain't like, them vatos are under you, you're gonna be the most, probably the most respected, powerful one that's ever been in the feds it's...(voices overlap)

PUP: (UI, voices overlap) ...Marty's above us.

CHS: No.

PUP: Yeah he is.

CHS: Yeah, but Marty's all fuckin' washed up.

PUP: Yeah, I know but it's, I'm saying he's the, I'm the older carnal. I respect him.

CHS: Well yeah, cause I know that...

PUP: Back in the day...back in the days Marty was over the (UI). He's older. And then he did it a lot longer. Fucker, he's truchas too. (UI) that dope, that dope interferes with a lot of shit. I know you can't, you can't cause if he was resentful...he got that shit done. He's fuckin'...Droopy, he didn't stop Droopy and fuckin' Chico from drilling that fuckin' LC.

CHS: Fuckin' Sick Vic?

PUP: Yeah.

CHS: Yeah, well he's the one that put out the hit. I was there.

PUP: Yeah, he could've stopped him. He didn't. He fuckin', the (UI) see Drooper and Chico (UI) (banging in background)...they were telling me that Marty is sleeping over there. That fuckin'...that fuckin' Michael Guzman is still there...and he's over there fuckin' giving Marty *drogas* and all this and that and...nothing happened to Mi-Michael Guzman. And...you know that's (UI), you know that, they plan to keep it like that...and then...when, when, and then when (UI) started to come out...Marty right away came to me. I thought you were my friend, "what the fuck's up," no? That type of shit. I told him well there's complaints against you carnal that you was sleeping over there and shit, you know? And then he told me, I said I'm the one that got that fuckin' *feria* taken care of over there - this and that. Although I didn't think of Michael Guzman...about him, that fucker's, those guys are over there gettin' high together and all that. Them brothers are tripping behind that shit, you know?

CHS: They c-they c, yeah cause they, and they killed Sick Vic and then the one that did, which one's the one that ratted, Mosco was the one that ratted on them?

PUP: Yeah.

CHS: Oh okay. Yeah. I remember Shadow was telling me that's why they had killed him.

PUP: Yeah. Well they tried to give Mosco (phonetic) a hot shot over here. And then that fuckin' dri-I told him, let me do this (UI), and I seen the writing, and I said okay, that, that's, I, I'll shoot Mosco (phonetic) a wila. So I shot Mosco (phonetic) an innocent wila, he's all you can't send me back and it was he-and matched it up, and it was his writing. So the brother, the brothers over there got some acid from one of the Roswell boys. I don't know if it was powder or what, but you, when you put it into liquid the color is kinda brown. And so they sent him that in that Eme, that's...but it, but they, they didn't, they didn't have to leave a shoe on (UI), cause (UI) with the Eme like that. That fucker...they gave it to him and right away he went to go test it, and the fucker went to taste it, and it fuckin'

burned his tongue. So that's when he came out to the rec yard he told me, hey carnal, fuckin' (UI) trying to kill me and this and that. And I said no, you're just tripping. Well yeah, (UI) not tripping, they sent me fuckin' acid. That shit burnt my tongue.

CHS: (laughs)

PUP: That type of shit, you know?

CHS: (laughs)

PUP: And that's why, that's why I told him, I said well ah, just don't testify. Don't testify in that fuckin' trial. "I give you my word, I'm not gonna testify. I'm not gonna fuckin'"...I said you already did what you did. And you wrote that fuckin' letter to that woman trying to save Marty...and yourself. And he said where the clothes were, he told the clothes were inside the vent. They went straight to the vent (UI).

CHS: Did he, did he testify?

PUP: He won't testify in trial now.

CHS: But then they still killed him.

PUP: But they, but they used his statement, they used his fuckin' letter to the warden. So he told them where the, where the bloody clothes were, where they stashed it, that shit (UI). And then they were trying to plea for Marty. Marty didn't have nothing to do with this...I didn't have nothing to do with this. (UI) but they were all pleading their case and shit cause they weren't (UI). But they weren't even guilty of it, they weren't even being...nothing was happening with them, they were still there. But the, the damaging part was the way he told them the clothes were. Inside the vent. He told them where they would find the bloody clothes, and they went over there and got that clothes. You know, of course there was the other shit they got them brothers for and all that but...that, that, that right there needed to be dealt with.

CHS: That vato's out right now? Both of those vatos?

PUP: They got away with it.

CHS: Does Sic Vic?

PUP: Yeah.

CHS: Oh, they didn't get charged?

PUP: No.

CHS: They didn't!?

PUP: Yeah.

CHS: Oh shit, I thought they got fuckin' charged.

PUP: No they didn't.

CHS: So they're, they went to the streets then.

PUP: Yeah, that's...Chu-Chuco, Chuco's been on the streets since. He hasn't came back carnal he even, he even got access into the prison to visit. Cause he turned Christian.

CHS: Oh serio?

PUP: Yeah. Droopy went out there and started fucking up. He got picked up all kinds of time in the feds. He's doing like twenty something years in the feds. That'd be like forty something actually.

CHS: Damn, I didn't even know that. I thought that, I, I thought all along that they got Taps for that shit.

PUP: No, they didn't.

CHS: They did that shit a bright boy.

PUP: I know.

CHS: How in the fuck?

PUP: Fuckin'...and one of 'em had the cut on his hand.

CHS: Yeah, I remember.

PUP: He had blood on his hand and shit.

CHS: They did it right there by the Chapel.

PUP: Yeah, they got away with it. And Mosco didn't testify, but it's...but he's a, there was something (UI) roll with damages carnal. That fuckin' shit, he told them where the, he goes you go, if you go find the clothes in the bin, and he told 'em exactly where inside that fuckin' cell where everybody pisses in.

CHS: Well where were-oh I remember wa-was it you or Shadow that was telling me that? That's why they were mad at, at, at Marty too because of that, no? Cause they t-something about...they said something to let Marty stay on the linea or something.

PUP: Yeah cause he did. Mosco was writing back (UI) to the warden, so that way he can, that way they don't focus on him and Marty you know? So they wouldn't lock them down. They were all fuckin' strung out. They wouldn't wanna come to the hole and then come back to the north. So they wrote that and, and Mosco told the warden, where he would find them, the, the, the bloody clothes. That's when they went and found the blood. They would've never found that clothes. They stashed everything. And when they found it, and fuckin'...Mosco, shit, that's the bo-that's (UI) they, that's (UI) they were tripping on right there. They wasn't tripping on nothing else.

CHS: Well they were just tripping cause he ratted.

PUP: They were tripping on that. But they didn't send those two, yeah, they started to trip on Marty, but they didn't have justification to really trip on him, you know what I'm saying? Other than he was just letting shit slide, and when everybody, but Michael Guzman. Other than that, it was nothing else. But I know Marty, I know the way he is. He's *truchas*. That fucker was over there recruiting and everything too. He was over there fuckin' doing what he had to do, you know what I'm saying? And trying to stay on that linea so the fuckin' (UI) and the whole fuckin'...LC's gonna take over that fucker. But he knew what he was do-he knew who he would allow. The Eme use a lot a bunch of weirdos. Cause he had to walk on eggshells all the time. (Mumbles)

CHS: Yeah, then fuckin', I don't, I don't know Chuco really.

PUP: Huh?

CHS: I don't know neither one of them brother. But I know Marty though.

PUP: Yeah.

CHS: But I didn't know that he-I mean I know he's been around a long time though. I always thought you were a brother, you know.

PUP: Yeah.

CHS: But, I mean, he, I know when he was over here, he was in the (UI) and he was saying that he PCd and shit, that he said he didn't want nothing to do with the onda no more.

PUP: Yeah.

CHS: And then I asked Chris, I said well what is he doing in the feds right now? And he said oh he's not really doing nada. Then I says-he's not trying to call shots or be jefe or nothing, he's all fuck no. He said he's still does his little thing and shit, but he, he...(voices overlap)

PUP: Who's that?

CHS: ...Marty.

PUP: Yeah, (UI), carnal, that's still there. I mean that old man's healthy carnal. He's old as hell, but he's healthy as fuck, and smart...real smart. It's just the dope, that dope fucked him up. Well that, when a lot of shit flies, he had that dope huh?

CHS: Shit, well let's see, we might be over there with his ass.

PUP: That isn't bad. (mumbles) they're there carnal. Marty's respected, carnal.

CHS: And what about ah-r-and Razor, Razor's above him?

PUP: No.

CHS: Razor's like right there with you?

PUP: Razor's right there with me. Me and Razor (UI) about the same age fuckin'...but Razor did time before me. Razor's probably (UI) and all that, but, but Razor's not...well you see, everybody thinks Razor's...Razor's a fuckin', he's a dummy. He's like fuckin' Garduno. Razor is a fuckin' nut.

CHS: But he's just down.

PUP: He's down?

CHS: Yeah. He'll kill, but he's just, he just doesn't got the mindset to run nothin'.

PUP: Yeah he, he won't kill nobody. He hasn't killed nobody...in the pinta.

CHS: I thought he killed somebody in Illinois.

PUP: Illinois?

CHS: Yeah, ain't that where he's at?

PUP: No, he ain't kill nobody over there.

CHS: Oh I thought he killed a *miate* or something.

PUP: Oh hell no.

CHS: Oh, that's what fuckin' Cyclone told me.

PUP: Cyclone don't know what the fuck he's talkin' about. He was just trying to call, but I don't (UI) no time over there.

CHS: So well he ain't even nobody then.

PUP: Well he's *firme* - he's, he's (UI)...(voices overlap)

CHS: Well I mean he's a good brother, but he's not a fuckin' like... you.

PUP: No, Razor's ah, he got, we're all the same, carnal. It was, they're fuckin', they're just there fuckin'...well he,

he's more of a fuckin' knucklehead.

CHS: Yeah-we're not all the same carnal.

PUP: He takes psyche meds...

CHS: (laughs) (voices overlap)

PUP: Where do (UI, CHS laughs)...(UI) carnal.

CHS: What about you?

PUP: I don't take psyche meds.

CHS: (laughs)

PUP: (laughs) Yet...

CHS: You need some.

PUP: I need some, but I don't take some.

CHS: Shit.

PUP: Yeah. Nah but, Razor's not, nah he's not like that carnal.

CHS: What...

PUP: He's just, he's, he's fun to be around. That fucker, he's a clown carnal. That fucker likes to clown...that fucker...he's not all serio and all fuckin', none of that. That fucker's a clown. He's not like, he's not like fuckin' Tomas and then Henry. He's different than them. But Razor's he's a down - he killed a jura on the streets. And that fucker's no (UI), like he's the type of vato that... like, he likes to clown carnal. That's how you watch...he'll tell you, I bet you I could get that fuckin' vato right there to clean my cell right now. I said nah, fucker, what (UI) that fucker, hey come here...and that vato go hey...what's up? Get over there and clean my fuckin' cell right now. And he'll just, he'd just do it just to see if he goes, you know. And he'll look at you and like laugh. And he does-he does shit like that carnal. And fuckin' we keep that, him and my dad get a long real good. Fucker, but he's, he's fuckin'...he, he's like that carnal. He used to have a fucker cleaning his house, some Indian dude. And

fuckin', and he would fuckin' and that Indian (stutters) and if the Indian said, no, I'm not gonna clean it...he would fuckin' hit him like that, pow, with his good arm. Cause one of his arms is dead. He has a dead arm where a jura shot him before, you know...back in the day. So fuckin' he just (UI) that dead arm too. And that fuckin' and, and then, and then he'll start laughing. And then, (UI) just feel like, manipulative like that, but in a funny way, you know? So he'll pick on the weak. If you're a little weak, that fucker will pick on you and he'll fuckin' have you c-s-s ah snug a, ah, smuggling sandwiches back in the kitchen or, or (UI) he's always (UI) too, me and him. Me and him would breakin' into the ID room at the main, in the (UI) down there by the, by the fuckin' gas chamber. Break into the fucker all the time, on the weekend. Stealing all kinds of shit out of there. Shoes, socks...street clothes...property from the PC and all that. (UI). He's a clown. And he and, and he, and he'd deal with the jura. Tomas is another one that deals with the juras. The fuckin'...he'll try to bribe them fuckers right away. Ramon's like that. He'll see a fuckin' jura, and if he sees any weakness in that jura, he'll fuckin' call him on it.

CHS: What'd that fucker say when you told him you hit...

PUP: But he doesn't do it in a, in a serio way, he does it like in a funny way, you know what I mean? Like kinda joking, but it's, but it's, the jura would fucking break and then fuckin' he'll take advantage of it. And he'll tell the jura, "hey give me this and that" and all that shit, you know? He's funny carnal.

CHS: What'd that fucker say when you told him you hit fuckin'...someone that's (UI) for Marcantel or whatever, what'd he say?

PUP: Who's that?

CHS: Tomas, when you told him hey...

PUP: Oh, it was just in general talk is what it was.

CHS: Oh.

PUP: It was just in general...and fuckin', we always fucked with

juras and (UI) to be moved, oh fuck them fuckers, all that (UI). And he was (UI) he said fuck yeah. While they're doing it, it'd be a (UI), when I get out there, you watch, that fucker will do something out here. He was like that (UI) no? But me and Archie was just look at each other like "Ramon, whatever." (pause) It's general pop huh?

CHS: What, he didn't get all fuckin' tripped out?

PUP: No. No. Tomas don't trip out like that.

CHS: He's a weirdo though huh?

PUP: Ah...in his own way, yes. He's like more, more like to himself on his own trip you know, not like...cause he, he (UI) all tight, he's right there with the *ranfla* and all of them, them things then you could tell he's, that...(UI) he thinks of himself carnal, that's it. Everything about himself. That's it.

CHS: No I don't fuckin' know him, I didn't even talk to him when he came back you know?

PUP: Oh.

CHS: And then they moved us over here right away, so I didn't really chit-chat with him or nothing, but...I just heard he had fucked up charges, that's what Spider and all them were saying, you know?

PUP: Yeah, fuck yeah. He's a weirdo like that. You can't trust him. He ain't like Ramon, Ramon you could trust yeah. Tomas, he's a, he's already is out. Yeah, I already told him he was out. He, he locked it up over there in Nevada for now, that's it.

CHS: He PC'd in Nevada?

PUP: Yeah.

CHS: Oh, yeah, yeah, you told me that.

PUP: Hell yeah, (UI) with them vatos over there. Felipe tried to fuckin'...tell the carnal hey fucker came out the hole and (UI), but the carnals is like we gotta deal with him. (UI) and Felipe had it like that, and they did. He had

a good a, he had a good relationship with them vatos from MRU. They, you know, they, they, they ran them guys over there and fuckin' T-Tomas didn't trust those fools out there. That's when Felipe was running down, but then when I got there...and I looked on my (UI) there he was...running around with all them PCs. But now he tries to cover it up. He tries to say that he was in the...in the ...you know where they fuckin' put like, like Paisas and all that?

CHS: Yeah.

PUP: Like fuckin' it's just Paisas there, but it's not that carnal. They try to tell me that now. I fuckin' hit 'em up over there in Nevada what's up with all that? Yeah, no, I did it when I say I will do it, that, that's ah...they tried to play it off like that. That's the fuckin' where the like federals are and all that. I said there ain't no federal part. But he wants to play it off like that carnal. And I don't understand, they give him (UI) fifty. And you know, you know he's doing that. (UI) He knows what he's doing. But he's not gonna just stay (UI). That's all there is. That's why I say you gotta be careful with that fucker.

25 do with this...I didn't have nothing to do with this.(UI) but  
26 they were all pleading their case and shit cause they weren't

00005:01 (UI).But they weren't even guilty of it, they weren't even  
02 being...nothing was happening with them, they were still  
03 there.But the, the damaging part was the way he told them the  
04 clothes were. Inside the vent.He told them where they would find  
05 the bloody clothes, and they went over there and got that  
06 clothes.You know, of course there was the other shit they got  
07 them brothers for and all that but...that, that, that right

08 there needed to be dealt with.

09 CHS: That vato's out right now? Both of those vatos?

10 PUP: They got away with it.

11 CHS: Does Sic Vic?

12 PUP: Yeah.

13 CHS: Oh, they didn't get charged?

14 PUP: No.

15 CHS: They didn't!?

16 PUP: Yeah.

17 CHS: Oh shit, I thought they got fuckin' charged.

18 PUP: No they didn't.

19 CHS: So they're, they went to the streets then.

20 PUP: Yeah, that's...Chu-Chuco, Chuco's been on the streets

21 since. He hasn't came back carnal he even, he even got access

22 into the prison to visit. Cause he turned Christian.

23 CHS: Oh serio?

24 PUP: Yeah. Droopy went out there and started fucking up. He

25 got picked up all kinds of time in the feds. He's doing like

00006:01 twenty something years in the feds. That'd be like forty  
02 something actually.

03 CHS: Damn, I didn't even know that. I thought that, I, I thought  
04 all along that they got Taps for that shit.

05 PUP: No, they didn't.

06 CHS: They did that shit a bright boy.

07 PUP: I know.

08 CHS: How in the fuck?

09 PUP: Fuckin'...and one of 'em had the cut on his hand.

10 CHS: Yeah, I remember.

11 PUP: He had blood on his hand and shit.

12 CHS: They did it right there by the Chapel.

13 PUP: Yeah, they got away with it. And Mosco didn't testify, but  
14 it's...but he's a, there was something (UI) roll with damages  
15 carnal. That fuckin' shit, he told them where the, he goes you  
16 go, if you go find the clothes in the bin, and he told 'em  
17 exactly where inside that fuckin' cell where everybody pisses in.  
18 CHS: Well where were-oh I remember wa-was it you or Shadow that  
19 was telling me that? That's why they were mad at, at, at Marty  
20 too because of that, no? Cause they t-something about...they said  
21 something to let Marty stay on the linea or something.

22 PUP: Yeah cause he did. Mosco was writing back (UI) to the warden,  
23 so that way he can, that way they don't focus on him and Marty

00007:01 you know? So they wouldn't lock them down. They were all fuckin'  
02 strung out. They wouldn't wanna come to the hole and then come  
03 back to the north. So they wrote that and, and Mosco told the  
04 warden, where he would find them, the, the, the bloody  
05 clothes. That's when they went and found the blood. They would've  
06 never found that clothes. They stashed everything. And when they  
07 found it, and fuckin'...Mosco, shit, that's the bo-that's (UI)  
08 they, that's (UI) they were tripping on right there. They wasn't  
09 tripping on nothing else.

10 CHS: Well they were just tripping cause he ratted.

11 PUP: They were tripping on that. But they didn't send those two,  
12 yeah, they started to trip on Marty, but they didn't have  
13 justification to really trip on him, you know what I'm

Exh353 - DISC 6187-6199.Trans of CHS & ABaca 11-15-12-15.1168.010PL.R.txt

14 saying? Other than he was just letting shit slide, and when  
15 everybody, but Michael Guzman. Other than that, it was nothing  
16 else. But I know Marty, I know the way he is. He's truchas. That  
17 fucker was over there recruiting and everything too. He was over  
18 there fuckin' doing what he had to do, you know what I'm  
19 saying? And trying to stay on that linea so the fuckin' (UI) and  
20 the whole fuckin'...LC's gonna take over that fucker. But he knew  
21 what he was do-he knew who he would allow. The Eme use a lot a  
22 bunch of weirdos. Cause he had to walk on eggshells all the  
23 time. (Mumbles)

24 CHS: Yeah, then fuckin', I don't, I don't know Chuco really.

25 PUP: Huh?

00008:01 CHS: I don't know neither one of them brother. But I know Marty  
02 though.

03 PUP: Yeah.

04 CHS: But I didn't know that he-I mean I know he's been  
05 around a long time though. I always thought you were a brother,  
06 you know.

07 PUP: Yeah.

08 CHS: But, I mean, he, I know when he was over here, he was in  
09 the (UI) and he was saying that he PCd and shit, that he said he  
10 didn't want nothing to do with the onda no more.

11 PUP: Yeah.

12 CHS: And then I asked Chris, I said well what is he doing in  
13 the feds right now? And he said oh he's not really doing nada.  
14 Then I says-he's not trying to call shots or be jefe or nothing,  
15 he's all fuck no. He said he's still does his little thing and  
16 shit, but he, he...(voices overlap)

17 PUP: Who's that?

18 CHS: ...Marty.

19 PUP: Yeah, (UI), carnal, that's still there. I mean that old  
20 man's healthy carnal. He's old as hell, but he's healthy as  
21 fuck, and smart...real smart. It's just the dope, that dope  
22 fucked him up. Well that, when a lot of shit flies, he had that  
23 dope huh?

24 CHS: Shit, well let's see, we might be over there with his ass.

25 PUP: That isn't bad. (mumbles) they're there carnal. Marty's

00009:01 respected, carnal.

02 CHS: And what about ah-r-and Razor, Razor's above him?

03 PUP: No.

04 CHS: Razor's like right there with you?

05 PUP: Razor's right there with me. Me and Razor (UI) about the same  
06 age fuckin'...but Razor did time before me. Razor's probably (UI)  
07 and all that, but, but Razor's not...well you see, everybody  
08 thinks Razor's...Razor's a fuckin', he's a dummy. He's like  
09 fuckin' Garduno. Razor is a fuckin' nut.

10 CHS: But he's just down.

11 PUP: He's down?

12 CHS: Yeah. He'll kill, but he's just, he just doesn't got the  
13 mindset to run nothin'.

14 PUP: Yeah he, he won't kill nobody. He hasn't killed nobody...in  
15 the pinta.

16 CHS: I thought he killed somebody in Illinois.

17 PUP: Illinois?

Exh353 - DISC 6187-6199.Trans of CHS &amp; ABaca 11-15-12-15.1168.010PL.R.txt

18 CHS: Yeah, ain't that where he's at?  
 19 PUP: No, he ain't kill nobody over there.  
 20 CHS: Oh I thought he killed a miate or something.  
 21 PUP: Oh hell no.  
 22 CHS: Oh, that's what fuckin' Cyclone told me.  
 23 PUP: Cyclone don't know what the fuck he's talkin' about. He was  
 24 just trying to call, but I don't (UI) no time over there.  
 25 CHS: So well he ain't even nobody then.  
 00010:01 PUP: Well he's firme - he's, he's (UI)...(voices overlap)  
 02 CHS: Well I mean he's a good brother, but he's not a fuckin'  
 03 like... you.  
 04 PUP: No, Razor's ah, he got, we're all the same, carnal. It was,  
 05 they're fuckin', they're just there fuckin'...well he,  
 06 he's more of a fuckin' knucklehead.  
 07 CHS: Yeah-we're not all the same carnal.  
 08 PUP: He takes psyche meds...  
 09 CHS: (laughs) (voices overlap)  
 10 PUP: Where do (UI, CHS laughs)...(UI) carnal.  
 11 CHS: What about you?  
 12 PUP: I don't take psyche meds.  
 13 CHS: (laughs)  
 14 PUP: (laughs) Yet...  
 15 CHS: You need some.  
 16 PUP: I need some, but I don't take some.  
 17 CHS: Shit.  
 18 PUP: Yeah. Nah but, Razor's not, nah he's not like that carnal.  
 19 CHS: What...  
 20 PUP: He's just, he's, he's fun to be around. That fucker, he's a  
 21 clown carnal. That fucker likes to clown...that fucker...he's not  
 22 all serio and all fuckin', none of that. That fucker's a  
 23 clown. He's not like, he's not like fuckin' Tomas and then  
 24 Henry. He's different than them. But Razor's he's a down - he  
 25 killed a jura on the streets. And that fucker's no (UI), like  
 00011:01 he's the type of vato that... like, he likes to clown  
 02 carnal. That's how you watch...he'll tell you, I bet you I could  
 03 get that fuckin' vato right there to clean my cell right now. I  
 04 said nah, fucker, what (UI) that fucker, hey come here...and  
 05 that vato go hey...what's up?Get over there and clean my fuckin'  
 06 cell right now. And he'll just, he'd just do it just to see if he  
 07 goes, you know. And he'll look at you and like laugh. And he  
 08 does-he does shit like that carnal. And fuckin' we keep that, him  
 09 and my dad get a long real good. Fucker, but he's, he's  
 10 fuckin'...he, he's like that carnal. He used to have a fucker  
 11 cleaning his house, some Indian dude. And fuckin', and he would  
 12 fuckin' and that Indian (stutters) and if the Indian said, no,  
 13 I'm not gonna clean it...he would fuckin' hit him like that,  
 14 pow, with his good arm. Cause one of his arms is dead.  
 15 He has a dead arm where a jura shot him before, you know...  
 16 back in the day. So fuckin' he just (UI) that dead arm  
 17 too. And that fuckin' and, and then, and then he'll start  
 18 laughing. And then, (UI) just feel like, manipulative like that,  
 19 but in a funny way, you know?So he'll pick on the weak. If you're  
 20 a little weak, that fucker will pick on you and he'll fuckin'  
 21 have you c-s-s ah snug a, ah, smuggling sandwiches back in the

Exh353 - DISC 6187-6199.Trans of CHS & ABaca 11-15-12-15.1168.010PL.R.txt

22 kitchen or, or (UI) he's always (UI) too, me and him. Me and him  
23 would breakin' into the ID room at the main, in the (UI) down  
24 there by the, by the fuckin' gas chamber. Break into the fucker  
25 all the time, on the weekend. Stealing all kinds of shit out

00012:01 of there. Shoes, socks...street clothes...property from the PC  
02 and all that. (UI).He's a clown. And he and, and he, and he'd  
03 deal with the jura. Tomas is another one that deals with the  
04 juras. The fuckin'...he'll try to bribe them fuckers right away.  
05 Ramon's like that. He'll see a fuckin' jura, and if he sees any  
06 weakness in that jura, he'll fuckin' call him on it.

07 CHS: What'd that fucker say when you told him you hit...

08 PUP: But he doesn't do it in a, in a serio way, he does it like  
09 in a funny way, you know what I mean? Like kinda joking, but  
10 it's, but it's, the jura would fucking break and then fuckin'  
11 he'll take advantage of it. And he'll tell the jura, "hey give  
12 me this and that" and all that shit, you know? He's funny  
13 carnal.

14 CHS: What'd that fucker say when you told him you hit  
15 fuckin'...someone that's (UI) for Marcantel or whatever, what'd  
16 he say?

17 PUP: Who's that?

18 CHS: Tomas, when you told him hey...

19 PUP: Oh, it was just in general talk is what it was.

20 CHS: Oh.

21 PUP: It was just in general...and fuckin', we always fucked with  
22 juras and (UI) to be moved, oh fuck them fuckers, all that (UI).  
23 And he was (UI) he said fuck yeah. While they're doing it, it'd  
24 be a (UI), when I get out there, you watch, that fucker will do  
25 something out here. He was like that (UI) no? But me and Archie

00013:01 was just look at each other like "Ramon, whatever." (pause)

02 It's general pop huh?

03 CHS: What, he didn't get all fuckin' tripped out?

04 PUP: No. No. Tomas don't trip out like that.

05 CHS: He's a weirdo though huh?

06 PUP: Ah...in his own way, yes. He's like more, more like to  
07 himself on his own trip you know, not like...cause he, he (UI)  
08 all tight, he's right there with the ranfla and all of them,  
09 them things then you could tell he's, that...(UI) he thinks of  
10 himself carnal, that's it.Everything about himself. That's it.

11 CHS: No I don't fuckin' know him, I didn't even talk to him when  
12 he came back you know?

13 PUP: Oh.

14 CHS: And then they moved us over here right away, so I didn't  
15 really chit-chat with him or nothing, but...I just heard he had  
16 fucked up charges, that's what Spider and all them were saying,  
17 you know?

18 PUP: Yeah, fuck yeah. He's a weirdo like that.You can't trust  
19 him. He ain't like Ramon, Ramon you could trust yeah. Tomas, he's  
20 a, he's already is out. Yeah, I already told him he was out. He,  
21 he locked it up over there in Nevada for now, that's it.

22 CHS: He PC'd in Nevada?

23 PUP: Yeah.

24 CHS: Oh, yeah, yeah, you told me that.

25 PUP: Hell yeah, (UI) with them vatos over there. Felipe tried

Exh353 - DISC 6187-6199.Trans of CHS & ABaca 11-15-12-15.1168.010PL.R.txt

00014:01 to fuckin'...tell the carnal hey fucker came out the hole and  
02 (UI), but the carnals is like we gotta deal with him. (UI) and  
03 Felipe had it like that, and they did. He had a good a, he had  
04 a good relationship with them vatos from MRU. They, you know, they,  
05 they, they ran them guys over there and fuckin' T-Tomas didn't  
06 trust those fools out there. That's when Felipe was running down,  
07 but then when I got there...and I looked on my (UI) there he  
08 was...running around with all them PCs. But now he tries to cover  
09 it up. He tries to say that he was in the...in the ...you know  
10 where they fuckin' put like, like Paisas and all that?

11 CHS: Yeah.

12 PUP: Like fuckin' it's just Paisas there, but it's not that  
13 carnal. They try to tell me that now. I fuckin' hit 'em up over  
14 there in Nevada what's up with all that? Yeah, no, I did it when  
15 I say I will do it, that, that's ah...they tried to play it off  
16 like that. That's the fuckin' where the like federals are and all  
17 that. I said there ain't no federal part. But he wants to play it  
18 off like that carnal. And I don't understand, they give him (UI)  
19 fifty. And you know, you know he's doing that. (UI) He knows what  
20 he's doing. But he's not gonna just stay (UI). That's all there is.  
21 That's why I say you gotta be careful with that fucker.
